**Arroba de Oro del Panama Cyberspace News  
PREMIO ESPECIAL POR MAYOR VOTACION ONLINE**

**IN APPRECIATION TO WEBMASTER WALTER ST. JONES**

Alonso and Carmela Gobern attended the gala affair accompanied by Melida Harris (CyberNews subscriber and ardent supporter). It was an elegant, well organized and very classy affair with dinner and live background music. Although there were very few persons known to us, we socialized, made new friends, and were honored to have been present among the 400 guests/participants, and also in representation of **Webmaster Walter St. Jones**, who could not be present.

***“Thank you, Walt.”***

Walter St. Jones designed the CyberNews Web site. Walter’s Web site is: [www.stjones.com](http://www.stjones.com)

In addition to the organizers and sponsors of the event, in attendance were several members of the government and private entities. The MC for the evening was Estella Villarreal, Television presenter and News Anchor. Sponsors of the Arroba de Oro Contest were: Diario La Prensa, Prensa.com, Telefónica Movistar, Caesar Park Hotel, and Publicar Paginas Amarillas.

Thanks to the collective number of votes that resulted from the individual voting of subscribers, relatives and friends, the Panama Cyberspace News won an Arroba de Oro on Thursday, November 16, 2006 at the Caesar Park Hotel in Panama City. We were nominated for three categories ([Institucional](#), [Mejor Proyección del País](#) and [Mayor Votación Online](#)) and we won in the category "Mayor Votacion Online." We were indeed very happy to have received that distinction from among 611 participating Web sites.

Receiving the award for the Panama Cyberspace News were Manager Alonso Govern, Subscriber Melida Harris and Editor Carmela Govern
