CyberNews Directory of Services

The suggestion to initiate this **CyberNews Directory of Services** came from **CyberNews Subscriber Maritza Chan (Panama)**. This is what she wrote:

“A veces se necesita de los servicios de un buen plomero, electricista, modista, etc., y tiene recelo de contratar a cualquier persona, tal vez si tuvieras una sección donde uno pueda dirigirse, ya que esta persona que está en la lista es recomendada por uno de nosotros.”

“There are times when one required the services of a good plumber, electrician, dressmaker, etc. and we are apprehensive to contract an unknown person; it would be good if we had a segment to choose from, since the person on the list would be a subscriber or someone recommended by one of us.”

Great idea! Congrats.

Dr. Leonard Beckford (Panama)

Excellent idea!

John Stratmann (Panama)

What a splendid idea!!!

Yolanda Bonnick (Connecticut)

Good idea. **Los felicito.**

Norita Scott-Pezet (Panama)

Carm: This is a good idea. AVACA (Asociación de Vecinos y Amigos de Casco Antiguo) has such a list. Once you have this set up, the real key is to **keep it up-to-date** and to encourage each user to **report back to you** on the service or lack thereof that was received.

Sharon Bailey-Bok (Panama)

This is great for current informative updates on everything that's goes on in Panama and I'm grateful and thankful for all of you and for the great job you do.

Mary Webb (Nebraska)

Great idea, Carmelita.

Patricia Lynton (Panama)

Hi Carmela: Thank you for this opportunity.

Patricia Reid (Panama)

Carmela: I think this is a wonderful idea. In addition to their skills and contact information, we will have a reference.

Cedric Gittens (Panama)

It's a good idea to have the directory available.

Melissa Watler Stevens (Grand Cayman)

This was a great suggestion.

Yadira Stamp (Washington, DC)

The directory is a good idea, as long as the service providers can be trusted, and/or recommended by CyberNews subscribers. You have to be very careful who you let in to your home.

Cynthia Pond (Florida)

I always have problems finding reputable workers in Panama. Have you ever considered doing a handyman special for people that have property in Panama and for those who are contemplating moving? Handyman special with electricians, plumbers, tile, carpenters, air conditioner specialist, decorators that can assist with curtains, architects that can redesign a room, etc. It would be helpful.
