3-day tour and fact-finding mission” to the province of Bocas del Toro. Alonso and Eduardo are natives of Bocas del Toro, and Carmen and I had visited

the province on previous occasions. We took a one-hour flight by Air Panama from Albrook “Marcos Gelabert” Airport to Bocas International Airport, and landed on Isla Colon, the capital of Bocas del Toro. Our 3-day stay in Bocas del Toro included a tour of Isla Colon, a visit to Almirante, a tour of Boca del Drago, a visit to the Hogar de Ancianos and a delightful stay at Punta Caracol. The following is a brief report of our exciting visit to Punta Caracol, a dream paradise mainly for rest and relaxation. Punta Caracol Aqua Lodge is located 10 minutes away by launch from Isla Colon. **We are organizing an excursion to Punta Caracol (tentatively set for Thursday, May 31 to Saturday, June 2, 2007)** and we trust that you will consider joining us. For those of you who have not yet visited Bocas del Toro, we trust that this report will encourage you to make plans to do so in order that you may enjoy the uniqueness and natural beauty of this region. Detail with prices, etc. will follow In a future edition. Because there are only 9 aqua lodges available, reservations will be done on a first-come, first served basis. **CLG (Carm)**
